📊 Current State Analysis

What's Working ✅

- ✓ Professional Shopify store
- ✓ Clean product pages
- ✓ Multiple flavor/dietary options
- ✓ Good product photography

What's Missing ❌

- ✗ **Local SEO** — No address, hours, phone visible
- ✗ **Content** — <100 words on homepage
- ✗ **Schema Markup** — Google doesn't understand what you are
- ✗ **Keywords** — Not ranking for "bakery near me", "gluten-free bakery", etc.
- ✗ **Blog** — Zero content = zero organic traffic
- ✗ **Reviews** — No social proof visible
